## Introduction to spotify

Spotify Technology S.A. (/ˈspɒtɪfaɪ/) is an international media services provider. It is legally domiciled in Luxembourg and is headquartered in Stockholm, Sweden. Founded in 2006, the company's primary business is providing an audio streaming platform, the "Spotify" platform, that provides DRM-restricted music, videos and podcasts from record labels and media companies. As a freemium service, basic features are free with advertisements or automatic music videos, while additional features, such as offline listening and commercial-free listening, are offered via paid subscription
